

Roles and Collaboration

Roles and Focus

Mathias Bjurbäck	Project manager and UI
Adam Clark	User Interface and Economics
Viktor Edsand	User Interface and JavaDoc
Mathias Karlgren	Software Architecture and Backend
Dag Fridén	External Code and Logic

Every person in the group has been given a number of tasks and field of responsibilities. These tasks have been distributed during our meetings and stored in Microsoft Share Point.

Meetings

Monday	13:00-17:00
Wednesday	10:00-11:00
Thursday	13:00-17:00
Sunday	17:00-21:00

Meeting agenda

- The project manager opens the meeting.
- Follow up on tasks – are they completed? If not- why?
- Work on incomplete tasks together
- Discussion – what has to be done until the next meeting?
